MILAGRO

The new album, Santana's first with PolyGram Records, has been released and is dedicated to the lives of Bill Graham and Miles Davis.

This album was recorded virtually live with the full Santana band in the studio. Carlos notes, "It was of utmost importance to record as live as possible for the purpose of capturing the moment raw, naked and pure. There was no time to think, only to feel and project."

The first single from the album will be "Right On" written by Marvin Gaye and sung by guest vocalist, Larry Graham, who was an original member of "Sly and The Family Stone". The video for this song was shot entirely in Tijuana, Mexico while Carlos and the band were there on March 21 and 22.

OUR COLORS

In the last newsletter we announced Carlos's intention to organize a benefit concert to commemorate the survival of the American Indian 500 years after the arrival of Columbus. Since that time we have lost Bill Graham, who was to have played a major part in the presentation of this event, and have had to make some changes.

The concert is now planned for October 10 at Shoreline Amphitheatre in Mountain View, California. Mark that date on your calendar because this is going to be a very important event and if there is any way for you to be present you should.

We will keep you informed as the details unfold.

THANK YOU

Thank you to all of you who so kindly sent your condolences to Carlos after the death of Bill Graham. It was very comforting to read your thoughts and your personal feelings for Bill. He is greatly missed.

CARLOS RETURNS TO TIJUANA

On March 21 and 22 Carlos and the band played two concerts at the 'Bullring By The Sea' in Tijuana, Mexico. This was the first time that Carlos had played in Tijuana since he left there in 1962 and it was billed as a 'Homecoming'.

Carlos saw many childhood friends that he had not seen since he left. It was a very emotional experience for all.

Jose Santana, Carlos's father participated in the program by playing with a local mariachi band, Tequila. Carlos's brother, Jorge, also sat in with the Santana band both days.

Each show was started by the release of balloons into the sky. Red, white and blue from one side of the stage and green, red and white from the other, signifying the United States and Mexico. Each show ended with a spectacular fireworks display.

NEW MERCHANDISE

We have two new t-shirts:
MILAGRO T-SHIRT - Black short sleeved t-shirt with the album cover art on the front and a quote from Bill Graham on the back.

ETHIOPIAN ANGEL BAND - White short sleeved t-shirt with an original design by Michael Roman depicting a band of angels with instruments.

BOOTLEG CD

There are four new Santana bootleg CD's on the market,'Soul Sacrifice', Latin Tropical, Persuasion, Jin-Go-Lo-Ba. These CD's are just another version of a CD that has been on the market for over two years. The names of the songs have been changed, but the songs themselves are not new. The quality is very poor and, more importantly, it is illegal and has not been authorized by Carlos.
